Chandni, a 1990 Indian epic action drama film based on the life of Pratap Singh of Rajwada: his actions and his son's sacrifice in order to protect him. Chandni (Bollywood actress) (fl. 1991–96), Indian actress chandni si naii chandni rohit ko gai chod miyo hai karzangi mera Chandani · Gujarati · Hindi · Malayalam · Telugu. Chandani (English: Moonlight), is a 1989 Indian romantic musical film directed and co-produced by Yash Chopra from a story written by Kamna. A young Chandni loves Rohit Sharma, who lives in Chandni Vihar, but he does not reciprocate her feelings. Then, one day, a telegram arrives to Chandni Vihar, informing Rohit that his uncle's daughter and

his cousin, Samrat, have both been in a fatal accident. Both are rushed to the hospital, where Chandni learns that Samrat has only minutes to live. Heartbroken and desperate, Chandni leaves the hospital to find Rohit. Knowing that Rohit is hiding his identity, and that the only way he can understand her feelings is by meeting her in person, she asks for his help. The film stars Shabana Azmi as Chandni and Anupam Kher as Rohit, with Nutan as their romantic rival, who remains a comical foil throughout the film. Chandni has very little dialogue except for her songs, which were written by Anand Bakshi. The music is primarily composed by Laxmikant-Pyarelal and Swaroop Sampat. The songs, as well as the rest of the lyrics, have been performed by the singers, Shreya Ghoshal and Kumar Sanu. The film was released during the festivities of Holi. Chandni is Bollywood's first romantic musical. It is the film version of Yash Chopra's 1982 film, Devdas, and has been ranked in the Bollywood top 100 hits list. Over the years, it has also been successful in television versions, such as in 1987 on Sab TV, and in 1991 on Sony Entertainment Television. This film is frequently called "Song of the Millennium."
